

# Journal of Taxonomy and Biodiversity Research

VOLUME 1

NUMBER 2

JULY 2007

## CONTENTS

### Section I - Journal

#### Full Papers

- S. Rajbhandary and K. K. Shrestha - *Begonia* L. (Begoniaceae) in the Nepal Himalaya ..... 1
- A. P. Whitaker (formerly Brandt), B. A. Bhuiya, M. G. Fitton and D. L. J. Quicke - The oriental and Indo-Australian species of the parasitic wasp genus *Iphiaulax* Foerster (Insecta, Hymenoptera, Braconidae). ..... 11
- D. P. Gordon, M. M. M. Hossain and T. Wood - The known and anticipated bryozoan diversity of Bangladesh. .... 45
- M. G. Uddin and M. K. Pasha - Diversity and distribution of epiphytic pteridophytes in Bangladesh. .... 59

#### Review Paper

- M. K. Rahman and J. N. Akhter - Fish species diversity in the river Brahmaputra-Jamuna, Bangladesh: A review. .... 67

#### Short Note

- N. Alam and M. Zaman - Seasonal phytoplankton diversity index of a fresh water body in Bangladesh. .... 77

### Section II - CIBC 2007 Proceedings

- Message from UN Secretary General ..... 80
- Message from CBD Executive Secretary ..... 81
- Message from Director, BioNET-INTERNATIONAL ..... 82
- Message from Principal Scientist, NIWA ..... 83
- Programme ..... 84
- Training Workshops ..... 87
- Abstracts ..... 88
- List of Foreign Delegates ..... 100
- Meeting summary of CIBC 2007 ..... 101
- COMMUNIQUE by participants ..... 102
- Conference excursion ..... 104
- Activities of BioNET-SACNET-BRGB and Acknowledgements to sponsors of CIBC 2007..... 107
